FROM : Coordinator of Cuban Affairs

SUBJECT: Summary of Coordinator's Recommendations

1. U. S. Policy Objectives

The following are the objectives of the U. S. with respect to Cuba:

- a. Protecting the security of the United States and the other states of the Organization of American States by assuring that offensive weapons are not reintroduced into Cuba;
- b. Removal of remaining Soviet forces from Cuba;
- c. Preventing Cuba from taking any aggressive military action against other Caribbean states;
- d. Reducing the capabilities of the Castro regime to direct and support subversion and insurrection within the other OAS states;
- e. Encouraging and supporting any developments within Cuba that offer the possibility of divorcing the Cuban Government from its support of Sino-Soviet Communist purposes;
- f. Encouraging and supporting any developments within Cuba that offer the possibility of replacing the Cuban Government with a regime that would break with the Sino-Soviet Bloc, it

being understood that our ultimate objective is replacement of the regime by one fully compatible with the goals of the United States;

- g. Maximizing the cost to the Soviet Union of supporting the Castro regime;
- h. Maximizing the political isolation of the Castro regime from other Free World states, and especially from states of the OAS. Whenever possible, U. S. actions against Cuba should be multilateral, preferably based upon the Treaty of Reciprocal Assistance (Rio Pact) or on resolutions adopted by the Organization of American States. The newly-won hemispheric solidarity on the Cuban issue should not be jeopardized by seeking OAS actions of marginal value and which might split the hemisphere;
